43 Goodall Street Warrnambool VIC

5 2 2

Welcome to 43 Goodall Street, an enormous family home with exceptional quality. We've looked for comparative properties on the market but they don't exist.

With the world moving to spending more time at home, this is a residence that will never get too small for you. It comprises of five bedrooms, two bathrooms, two living areas and a study/third living area. The large kitchen area flows onto the dining area and main living area. This living area has a wonderful raked ceiling and also opens up into the pergola and back yard. The quality throughout the home is mind-blowing for a home this size. From the stone bench tops and Smeg appliances to the walk in pantry through to the floor to ceiling tiling in both bathrooms, it's everything you're looking for in a modern home. Although the home is a whopping size, there is still ample yard space and side access for storing a caravan, boat or trailer. This property can be configured in plenty of different ways
