

259 Illowa Road Illowa VIC

4 3 4

Welcome to 259 Illowa Road, a residence that needs to be seen to be believed. This well-hidden property becomes very exciting very quickly as soon as you drive through the front gates. The home is perched at the top of a hill and has the most amazing views. On entering the home, you are greeted by wide open halls and light drenched surfaces. As soon as you take a little turn off the entrance you stroll into the main living area. Just WOW. This living and kitchen area is 22 metres in length and is encapsulated with windows and verandah areas. The views across farmland towards Port Fairy and the Southern Ocean make it seem like you're in Ireland or Scotland rather than Illowa. From some of the sitting areas looking out the windows, it literally looks like a painting.

The home is enormous in all ways. It has high ceilings, wide halls, huge bedrooms and generous outdoor spaces. The property features 4 bedrooms, 3 bathrooms, 2 kitchens

Price : \$ 975,000
Land Size : 6957 sqm
