

103 High Street Koroit VIC

3 3 4

You won't be able to help yourself from smiling and looking around in awe as you stroll through 103 High Street. It truly is the gift that keeps giving.

Located in one of the most desirable positions you could think of, this proud and iconic build stands out from everything else in Koroit. It's freshly painted, well landscaped and has minimal maintenance. The property packs a punch in the statistics column also featuring three bedrooms, all with walk in robes and ensuite. The master ensuite has recently been fully renovated and is a sight to behold. Amazingly there are five separated living areas. These areas are utilised beautifully right now but could be configured to create further bedrooms, a gym, office or other uses. To add to this, there are two large double garages that can easily accommodate four cars. The second garage has recently been constructed in a striking recycled brick. Both have internal access to the home.
