

93 Drummond Street Warrnambool VIC

4 2

Welcome to the enticing 93 Drummond Street. Here on offer is a magical renovation of an original Californian bungalow. The works carried out have retained the character and aura of the home but also added the most beautiful modern comforts and styles. The blend creates a really welcoming and unique home.

Comprising of four bedrooms, all with BIR's, two bathrooms and an enormous open plan kitchen/dining/living area. The home also incorporates a study which is nicely tucked away and comes with a lovely flowing floor plan.

There are so many attributes to this property it's hard to list them all. Some of my favourites are the dark polished timber floors, the decorative roses and corning, the high ceilings, the handmade concrete bench tops and minimalist style kitchen, the expansive main bathroom with floor to ceiling tiles and double shower.

The low maintenance block which is 586m² approx, is flat
