Welcome to the gracious 146 Baynes Street. This big family home has it all. Very well maintained and cared for, this two story residence sits upon a 1,018m2 block. It features five great sized bedrooms, two bathrooms and two living areas. The upstairs retreat is fantastic. It has two of the bedrooms, a bathroom and a big wide open living area that looks out towards Mt Noorat. This room is bathed in sunlight and is just a delight.

The kitchen area looks out over the established backyard. A lot of hard work and thought has gone into the restoration of the kitchen. The original black wood cabinetry has been matched in to create a new but tasteful kitchen. The higher than usual bench tops all of a sudden make sense as you envisage yourself spending time in the heart of the home.

There is plenty of shedding at the rear of the property and the yard is just magical. Recently, the owner has strategically removed some trees to give the yard more
