

**86 Ryot Street Warrnambool VIC**

3 2 2

You may go years and years without the opportunity of securing a historic home renovated and restored as stunningly as this. Welcome to 86 Ryot Street, a central sandstone home with a tasteful blend of originality and character as well as ultra chic modern touches.

On entering the home, you will be left in awe of the exposed sandstone hallway. This is one of the best walls I have seen in my career. It just wants to tell you stories about its past. The raw yet uniformed nature is something that you just need to witness. The front of the home has kept its original highlights like ceilings roses, fireplaces, classic floorboards and doors. The master bedroom which is located at the front adjoins a mind-blowing walk in robe and ensuite. The design and sleek feel of this area will stay with you long after you leave.

Following the central hall through the home, you'll be delighted by a gorgeous open living area and kitchen. This
