1 & 2/ Hopkins Highway Ellerslie VIC

Lifestyle sized blocks of land have become very popular in the last few years and here is two lots with plenty to offer.

Both Lot One and Lot Two will have dual access points from either Cooks Road, the highway service road or, the rear laneway. There are power lines along the service road on Hopkins Highway and also along the rear of Lot 2 so connecting power is not a problem. With both lots being flat, town shipped zoned and well protected, there is multiple opportunities for a new home, relocatable, shedding or even a glamping setup.

Only 10 minutes from Mortlake and 20 minutes from Warrnambool, you are only a short drive away from supermarkets, restaurants and retail therapy.
