

38 Stewart Court Warrnambool VIC

This is the type of block you just simply have to buy. This is the type of block that you can build a home to be proud of forever. With unbelievable views to the west towards the Merri River and Wollaston Bridge, you'll be able to create something truly iconic. Sitting high and proud on a 741m² approx. site, you'll enjoy both the western views as well as a northern backyard. The Riviera Estate is quickly filling up with established homes and some are quite substantial to say the least. Being so very close to the Northpoint Shopping centre as well as schools and a short drive into the CBD, there's no wonder why it's so popular here.

Price : \$ 260,000
Land Size : 741 sqm
