4/22 Walsh Road Warrnambool is a rare offering. A large industrial shed on a 678m² block not only offers something for today but expansion for tomorrow.

The large roller door provides ample access to the warehouse whilst a separate entrance to the office space and showroom provides ultimate flexibility for any business or a multiple of tenants to occupy. The adjoining yard is perfect for storage or further development of the shed, whilst the toilet and kitchen facilities mean that this property is a 'one stop shop'.
