

151 Poyntons Road Willatook VIC

Welcome to 151 Poyntons Road, Willatook. Peacefully nestled on a quiet road between Warrnambool and Hamilton, this is an excellent opportunity to purchase 263 (approx.) fertile acres of quality grazing land.

This magnificent allotment is currently being used as a highly productive beef grazing property yet would equally suit Dairy Farmers as a quality out-paddock.

The land is flat to undulating whilst quality fencing divides the property into nine larger paddocks and two smaller secure by a solar fencing unit. Highly productive soil profiles and consistent fertiliser history coupled with secure rainfall, year-round growth is assured.

The cattle yards are well positioned and solid with a crush, holding pens and loading ramp. The adjoining paddocks
